

EKAS Learning Specification Numbering

EKAS Learning Specification Number								
L	S	E	G	G	0	0	5	A
Learning Specification identifier	Training Package identifier	Discipline letters			Numbers 001 to 999		Version	

Training Package Identifier

- First character of the EKAS LS number

Training Package Identifier		
Training Package	Code	Identifier
Electrotechnology	UEE05	E
Electricity Supply Industry Transmission, Distribution & Rail Sector	UET05	T
Electricity Supply Industry Generation Sector	UEP05	P
Gas Industry	UEG05	G

Discipline Characters

- Second and third characters of the EKAS LS number

Electricity Supply Industry Transmission, Distribution & Rail Sector Training Package – Discipline Letters

Discipline	Letters	Discipline	Letters
Cable Jointing	CJ	Substations	SB
Distribution	DP	Systems Operations	SO
Design	DS	Transmission	TP
Entry Level – Cross Discipline	EL	Testing	TS
Industry Specific – Cross Discipline	IS	Vegetation Control	VC
Rail Traction	RT		

Electrotechnology Training Packages Disciplines Letters

Discipline	Letters	Discipline	Letters
Assembly	AA	Instrument & Control	II
Broadcast	BB	Refrigeration & air conditioning	JJ
Commercial	CC	Renewable and sustainable energy	KK
Computer systems	DD	Imported	LL
Cross discipline	EE	Hazardous areas	MM
Data and voice communications	FF	Rail systems	NN
Electrical	GG	Restricted and specialist	PP
Electronic	HH	Research	RR

Numbers

First number to represent the lowest AQF level the LS is used.

Second and third numbers to be allocated from 01 – 99 as per specified groupings within the discipline.

Version

First version – A

Second version B etc
